

**ANR POSTDOCTORAL POSITION AT THE UNIVERSITY PARIS 7 OR THE
UNIVERSITY OF POITIERS STARTING SEPTEMBER 2011.**

Institution: University Paris 7 or University of Poitiers.

Department: Math. Department.

Contacts: E. Vasserot (vasserot@math.jussieu.fr), or R. Yu (Rupert.Yu@math.univ-poitiers.fr).

Employer Type: Academic.

Position Type: Post-Doctorate.

Subject Area: Mathematics.

Geographic Location: France : Paris or Poitiers.

Position Description: 12(×2) months Post-doctoral position.

Teaching load: no teaching.

Salary: about 2100 Euros net per month.

Applicants are supposed to work in Representation Theory, understood in the broad sense. The main duty will be research and participation in the departmental activities. Successful applicants will be expected to have obtained a PhD or an equivalent doctoral degree since September 2009.

Your application should contain

1. a curriculum vitae,
2. a list of publications,
3. the location where you would like to go (Paris or Poitiers),
4. a short description of your past research,
5. a short research project,
6. 2 recommendation letters sent separately.

All items except the recommendation letters should be sent by email to one of the contacts. The recommendation letters should be sent separately by email to one of the above addresses.

The closing date for applications has now been extended to mid-June. This postdoctoral position is funded by the ANR contract GERCHER.
