

Summer School
University of Cologne
July 16 - 20, 2012

Kähler Geometry and Quantization

Speakers

Miguel Abreu (*Instituto Superior Técnico, Lisbon, Portugal*)

Joel Fine (*Université Libre de Bruxelles, Belgium*)

Xiaonan Ma (*Université Paris Diderot - Paris 7, France*)

Alejandro Uribe (*University of Michigan, USA*)

Programme

Lecture series in the morning and working groups in the afternoon.

Participants

Postdocs and advanced graduate students in geometry and mathematical physics.

Application

The deadline for applications is May 15th, 2012. Applicants will be informed about the application results the following week. Please apply online at

<http://www.mi.uni-koeln.de/~wkirwin/KaehlerGeom2012/main.html>

Local expenses will be covered by the organizers.

Organizers

William D. Kirwin (*Köln*)

George Marinescu (*Köln*)

Sponsors

Graduiertenkolleg "Globale Strukturen in Geometrie und Analysis"

Mathematisches Institut, Universität zu Köln

Deutsche Forschungsgemeinschaft (DFG)
